Directions to GIX Steve Ballmer Building During 2020 Construction

Our building is located in Bellevue's Spring District at 12280 NE District Way, Bellevue, WA 98005. Free guest parking is available in our parking garage. The entrance is on the east side of the building. Unfortunately due to construction 124th is closed to the north of us, so it is best to approach the building on 124th from the south and then turn left onto on NE District Way.

If you're coming from campus via 520E:

- Take the exit for 124th.
- Take the first right on Northup Way
- Take the first left on 120th
- Take a left on NE 12th
- Turn left on to 124th Ave NE
- Turn left on NE District Way
- Take your first right and the garage entrance will be on your left
- Please take the parking garage elevator to Level 1 and check in at the reception desk

If you arrive prior to 8:45 a.m. you can use the passcode 1379 to get into the parking garage. The building (and elevator to the first floor) unlocks at 9:00 a.m.

Lodging

Lodging options we often recommend, in order of proximity to GIX, are Hotel 116 (about $100/night), the Hampton Inn (about $150/night) or the Hyatt Regency (about $220/night). Hotel 116 is about a mile walk, and has a shuttle if needed. Bellevue is not yet fully connected via public transportation so you will likely want to have a car.

We look forward to your visit!
